

Torrance Youth Band Will Appear at June 10 Hollywood Bowl Performance

Members of Torrance Area Youth Band, directed by James Van Dyke, will be among the 1600 young musicians will perform in a spectacular massed band concert in the Hollywood Bowl, Saturday Night, June 10, beginning at 8 p.m. when the Youth Band Council of Southern California presents its 6th Annual Youth Band Festival.

This event which brings together youth from all over southern California is sponsored by the Los Angeles County Music Commission and is believed to be one of the most unique musical events of its kind in the entire country.

Throughout Southern California there are over 40 youth

bands sponsored by cities, chambers of commerce, lodges, and other organizations which provide extra-curricular musical activities for young musicians outside of school programs. This is the largest number of non-school bands existing in any metropolitan area in the United States.

These bands appear in local and statewide parades and special events, and many have traveled to noted events across the United States and International Order of Foresters' Robin Hood Band will tour Europe presenting a special program featuring young and talented musicians, singers and dancers.

Youth Bands including: Boys' Club Band of Pasadena; Burbank Police Boys Band; Claudhoppers Youth Band; East Los Angeles Youth Band; Glendale Youth Band; Hawthorne Youth Band; Lakewood Pan American Youth Band; Long Beach Junior Concert Band; Los Angeles County Sheriff's Youth Band; Los Angeles Police Junior Band; Manhattan Beach Youth Band; Santa Fe Springs Youth Band; Sepulveda Youth Band; Son's Long Beach Junior Concert Band; South Gate City Youth Band; Torrance Area Youth Band; Westchester Youth Band; and West Valley Youth Band.

The program will be conducted by the 18 directors of the participating bands, and will feature a wide variety of tempos and styles of music.

Tickets for the event may be obtained locally from the participating bands, or at the Hollywood Bowl the evening of the program. Tickets are \$1 each, which is a donation to support the Youth Band Council and its activities giving the youth of this area worthwhile organized activities through music. Children under 12 years of age will be admitted free.

Serra Students Qualify for Essay Contest Finals

John Baratti, Robert Majors, and John Moler of Serra High qualified as semi-finalists in the California History Essay Contest sponsored by Immaculate Heart College's chapter of the Phi Alpha Theta, the national history honor society. The purpose of the contest, which was open to all schools in the Los Angeles County, was to encourage primary historical research and to create interest in local history.

California's participation in the Civil War was the prize-winning subject of John Baratti's essay. Robert Majors compiled a history of Los Angeles in March, 1930, as seen in the Los Angeles Examiner. John Moler treated of the Chinese in California.

The semi-finalist attended the awards program with their history teacher, Brother William Bolts, S.M., at Immaculate Heart College on Saturday, May 20. The feature of the afternoon reception was a talk by Reverend Francis J. Weber on the subject of his recent book—Bishop Garcia Diego, the first Bishop of the diocese of both Californias. Reverend Joseph Sharpe, Superintendent of the High Schools of the Archdiocese of Los Angeles, presented the awards.

Irish Production Cars At Sports Arena

Ireland's first production car—named the Shamrock, of course—arrived in Los Angeles Monday and will be unveiled on the west coast for the first time at the 16th annual Los Angeles Home show which opens Thursday at the Memorial Sports Arena.

Actually two Shamrocks were unloaded at the Port of Los Angeles Monday. On hand to greet the ship, California Star, which carried the Shamrocks, were Pat Lynne, queen of the Home Show, and Pat McWhorter, "Miss Welcome to the Port of Los Angeles."

One of the Shamrocks, a sleek, white five-passenger sports convertible with green interior, will be a feature attraction at the Home Show. The other will be for the exclusive use of Miss Lynne during her 11-day reign at the show, which ends Sunday, June 4.

INSPECTION
The four-cylinder car underwent an official inspection by Officer H. E. Rardin of the California Highway Patrol at the port and was given the "green light" to hit the local highways.

The car was designed by a 29-year-old Southern Californian of Irish descent, William K. Curtis. He is managing director of the plant at Castleblair, County Monaghan, Eire, where the car is now in limited production.

First shipments of the new Shamrock are scheduled to arrive here in late June. The suggested list price is \$2695.

The Shamrock is one of more than 400 exhibits which will be displayed daily from 12:30 p. m. to 11:30 p. m. at the Sports Arena, beginning Thursday.
